**Lincoln Park Tenant Meeting held on
September 22, 2004
In Community Room**

The meeting was called to order by the President, who spoke on the need for security. Councilman Bell, who was in attendance, was told that the ordinance needs to be changed so that Lincoln Park Towers can obtain security.

This site is having a serious problem because of the lack of security. They also have a very poor attendance at meetings. "We must find ways to bring more tenant to the meetings" said Mr. Johnson. He also said that for the next meeting, flyers should be passed out stating that food should be served in an effort to get tenant to come to the meetings, but not to mention on the flyer that it is a meeting. Once the tenants come to eat, have the meeting then serve the food.

The meeting was then adjourned.
